Dated

Dear Principal,

At the outset, I wish to congratulate all the stake holders who had participated in the World Earth Hour 2009 on March 28<sup>th</sup>, 2009. As you are aware the first Earth Hour was observed in a number of Cities world-wide and this year the city of Delhi also participated by switching off the lights by all the stake holders for one hour between 8.30-9.30P.M.

During the Earth Hour observation, the city of Delhi recorded a reduction in consumption of over 1000 MW of Power which is a phenomenal record for any city in the world. Encouraged by the success of the event, the Hon'ble Chief Minister of Delhi decided that the concern for combating the climate change could be expressed by all the stake holders on the last day of every three month which is on July 31<sup>st</sup> of 2009.

In this regard, May I request you to issue an instruction in the form of an advisory to all the employees and students to switch off the focus lights & decorative lights for 1 hour between 8.30-9:30P.M. on 31<sup>st</sup> July, 2009 in your Institution and co-operate with the Government's efforts by joining the observing of World Earth Hour 2009.

With Regards,

Yours sincerely

(Dharmendra)
